

### **Asbestos**

In accordance with the Asbestos Hazard Emergency Response Act of 1986, all buildings of the Phoenix Central School District have been inspected for asbestos containing building materials (ACBM). The original inspection and triennial re-inspection reports identifying the location of ACBM, the management plan detailing how the district is managing the asbestos material and the semiannual surveillance reports are available in the main office of each building and in the Building & Grounds Office. If you have any questions, please contact the Supervisor of Operations and Maintenance at 695-1537
